Brief Summary of Selected Substantive Portions of this Response

[0001] The Applicant amends claims 2 and 27 for clarity and presents evidence that McCanne fails to anticipate or render obvious the pending claims because this reference fails to teach or suggest "generating a routing policy for a sending node based at least in part on the body of the message."

[0002] This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
